BRUNELLO DI MONTALCINO D.O.C.G. RISERVA

At San Polo, the Riserva is only produced in truly exceptional years. During the first few days of each vintage's harvest, the finest, most perfectly formed clusters are meticulously monitored so that they achieve ideal ripeness. The healthiest and most mature grapes are then very carefully harvested and reviewed by hand in the winery, where imperfect berries and stray vegetation are removed from the clusters. Lengthy ageing and a judicious use of oak lend further elegance to this renowned Riserva wine. At San Polo, the Riserva epitomizes the quality and excellence, with the utmost respect for the environment.

The Seggio river is the largest watercourse in the municipality of Castagneto Carducci. The Jewels of the Treasure

PAGUS CAMILLA Bolgheri Bianco D.O.C.

The Ancient Romans used the name Pagus to identify a particularly valuable rural area. Pagus Camilla, located near the creek of the same name, with its alluvial sediments containing elevated mineral deposits, yields a 'rare' Vermentino with intense aromas of citrus fruits and Mediterranean herbs, and delivers very fresh Petit Manseng that ensures the wine balance, enhanced by the proximity to the sea.

Vinification: maceration on the skins at a controlled temperature in stainless steel vats.

Ageing: in stainless steel and terracotta amphorae on fine lees with battonage for 18-24 months.

Grapes: 70% Vermentino, 30% Petit Manseng.

This parcel produces a targeted selection of Syrah and Cabernet Sauvignon, part fermented in amphorae and part in oak barrels. The wine stands out for its delicate scent, while on the palate it is lively, pristine and festive, and succeeds in delivering what we most desire: a persistent spicy note and a natural, full mouthfeel.

Vinification: in terracotta amphorae and french oak barrels with light maceration.

Ageing: 80% in terracotta amphorae and 20% in oak barrels.

Grapes: 50% Syrah, 50% Cabernet Sauvignon.
