# BROGLIA

I VIGNETI PIÙ ANTICHI DI GAVI  
DAL 972 d.C.

## LA MEIRANA

GAVI DI GAVI DOCG

È il prodotto più rappresentativo dell'azienda Broglia ed è per questo motivo che riporta in etichetta il nome della Tenuta La Meirana. La Meirana si trova nel cuore del territorio del Gavi e rappresenta il nome più antico legato ad esso, come risulta dal documento conservato presso l'archivio di stato di Genova, datato 3 Giugno 972 D.C. Questo vino proviene da vigneti con un'età media di circa 35 anni ed una fantastica esposizione. Per esaltarne la sua grande mineralità, la vinificazione avviene esclusivamente in vasche d'acciaio termocontrollate con un affinamento sui lieviti di minimo 6 mesi.

## LA MEIRANA

ORO

GAVI DI GAVI DOCG

50 VENDEMMIE - NEL CUORE DEL GAVI

Mezzo secolo di raccolti tra i vigneti della Tenuta La Meirana per portare nella nostra cantina i grappoli migliori che il territorio del Gavi potesse darci.

Cinquanta anni che vogliamo celebrare perché ognuno di essi è spogliato nei nostri ricordi e contribuisce a scrivere la nostra storia, il nostro presente e il nostro futuro.

Noi della famiglia Broglia desideriamo onorare ognuno di queste cinquanta vendemmie con un'edizione speciale del nostro La Meirana: un grande vino, per una ricorrenza della quale andiamo fieri e che vogliamo condividere insieme a voi.

## BRUNO BROGLIA

GAVI DI GAVI DOCG

Il Bruno Broglia rappresenta il fiore all'occhiello dell'azienda Broglia. È ottenuto dalle migliori uve di un vecchio "single vineyard" piantato tra gli anni 1953 e 1955. La resa di questo vigneto è molto bassa, tra i 30 e i 40 q.li ad ettaro. Le uve vengono raccolte a mano, trasportate in cantina esclusivamente in cassette di legno, in modo che i grappoli vi arrivino integri. Grazie ad un'immediata e soffice pressatura otteniamo un vino ricco di struttura ed acidità adatto a una incredibile evoluzione in bottiglia e al lungo invecchiamento. Le caratteristiche organolettiche del Bruno Broglia sono il risultato di una particolare vinificazione "sur lie", in piccole vasche d'acciaio, per almeno 3 anni ed un affinamento in vetro per altri 6 mesi. Il nome Bruno Broglia è in onore del fondatore dell'azienda.

## VECCHIA ANNATA

GAVI DI GAVI DOCG

È solo dalle migliori annate che nasce questo grande vino, che proviene dai vigneti della Tenuta La Meirana, impiantati tra gli anni 1952 e 1955, dopo una selezione dei migliori grappoli raccolti a mano e trasferiti in cantina in cassette di legno.

La vendemmia 2015 fu caratterizzata da una fioritura regolare nella prima decade di Giugno e un'estate con temperature più elevate rispetto agli anni precedenti che hanno permesso grandi escursioni termiche tra il giorno e la notte. Queste particolari condizioni diedero al vino una grande struttura, un'ottima sapidità ed intensi profumi di pietra focaia e mandorle. Ecco che al seguito di un affinamento in vasca d'acciaio "sur lie" di 60 mesi, viene alla luce la nostra "Vecchia Annata".

**BROGLIA DERTHONA**  
COLLI TORTONESI TIMORASSO

Il Broglia Derthona nasce da una selezione di uve di Timorasso e viene prodotto attraverso una particolare vinificazione esclusivamente in piccole vasche d'acciaio per 18 mesi. Questo metodo e affinamento in bottiglia permettono di esaltare le migliori caratteristiche del Derthona, la struttura e la mineralità.

**LE PERNICI**  
PINOT NERO

Questo vino è ottenuto dalla vinificazione delle uve Pinot Nero. Il suo profumo vinoso e floreale nasce da una particolare vinificazione che mantiene intatta l'originalità dei gusti.

**LA BECCACCIA**  
LANGHE NEBBIOLO DOC

Questo vino è ottenuto dalla vinificazione delle migliori uve Nebbiolo. Il suo profumo vinoso e floreale nasce da una particolare vinificazione ed un affinamento in botte piccola di un anno più un anno di botte grande, mantenendo intatta l'originalità dei gusti.

0,75 L

**MOSCATO D'ASTI**

Questo vino è ottenuto dalla vinificazione di uve di Moscato coltivate nella zona di produzione del moscato. Vigne poste in zone di collina che garantiscono buone escursioni termiche favorendo la creazione di aromi freschi e fruttati. La ricchezza zuccherina e il basso grado alcolico fanno sì che questo moscato mantenga un'intensa fragranza aromatica.

### Palazzo della Torre Veronese I.G.T.

Palazzo della Torre was the precursor of the double fermentation method: Franco Allegini's courageous winemaking intuitions have given rise to an extremely versatile wine with a strong personality.

### Pieramonte Amarone della Valpolicella Classico Riserva D.O.C.G. - Single Vineyard

Pieramonte tells the story of Valpolicella and its most important traditions, underpinned by a combination of values firmly based on an upper hillside vineyard with slopes that face south, and on the stubbornness of man who has always reaped the best from these lands. Giovanni Allegri, the Company's founding founder, was proud of it precisely for its upper hillside location and its fortunate exposure to the east, where the ripening of the grapes is very balanced.

Grapes: 45% Corvina Veronese, 45% Corvinone, 5% Rondinella, 5% Oseleta

Wine making: Hand harvest of selected bunches, appassimento (drying process) 100 days, 48 months in French oak barriques, 6 months in large Slovenian oak barrels, bottle-aged 12 months.

### La Poja Veronese I.G.T. - Single Vineyard

When Giovanni Allegrini decided to plant only Corvina grapes on the top of Le Grole in 1979, motivated by a great passion for his beloved Valpolicella, he did not imagine the extraordinary success this wine would achieve. The superior-quality viticulture and the perfect microclimate on this approximately 3-hectare plateau, whose white limestone surface dazzles in the sun, yield the best grapes that the Valpolicella can produce.

Grapes: 100% Corvina Veronese

Wine making: Hand harvest of selected bunches, 20 months in new Allier barriques, 8 months in large Slavonian oak barrels, bottle-aged 10 months

### Giovanni Allegrini Recioto della Valpolicella Classico D.O.C.G.

Giovanni Allegrini, the man who symbolises Valpolicella, was a great lover of Recioto. Recioto is one of the oldest wines in the world, dating back to Roman times. It is a sweet wine and unique in its kind, able to promote contemplation and accompany life's most joyful occasions.

Grapes: 40% Corvina Veronese, 40% Corvinone, 15% Rondinella, 5% Oseleta

The Seggio river is the largest watercourse in the municipality of Castagneto Carducci. Its source is in the 'metaliferous' hills of Sassetta. It crosses the entire territory of Bolgheri and its alluvial delta enriches the characteristic clay soils with precious pebbles, thus guaranteeing excellent drainage of the soil.

A full, intense, and enveloping 100% Viognier. The skillful vinification, partially in stainless steel, amphora and barrique, gives a wine with a bouquet rich in intense floral and fruity scents, orange peel, essential oils. The sea, which refracts its light on the vines, gives it a fragrant flavour.

**SONDRAIA BOLGHERI SUPERIORE D.O.C.**

The flagship wine of Poggio al Tesoro. Since its inception, with vintage 2003, it has been widely acclaimed by the Italian and international press and has become a classic Bolgheri wine in a very short time. A new interpretation of the "Super Toscana", it successfully expresses the legacy of a superlative territory combining complexity and great finesse. The varietals used are carefully selected in the estate's best parcels (those closest to the hills and recognized as the finest in Bolgheri).  
 Ageing: 20 months in French oak barriques (50% new-50% second used) and for at least 3 months in bottle.

## The Jewels of the Treasure

### PAGUS CAMILLA BOLGHERI BIANCO D.O.C. Amphora vinification

The Ancient Romans used the name Pagus to identify a particularly valuable rural area. Pagus Camilla, located near the creek of the same name, with its alluvial sediments containing elevated mineral deposits, yields a 'rare' Vermentino with intense aromas of citrus fruits and Mediterranean herbs, and delivers very fresh Petit Manseng that ensures the wise balance, enhanced by the proximity to the sea.

Vinification: maceration on the skins at a controlled temperature in stainless steel vats.

Ageing: refined for 12 months in Amphora on the lees with bâtonnage and then for 6 months in steel. Aged for at least 12 months in bottle.

Grapes: 70% Vermentino, 30% Petit Manseng.

Vinification: in terracotta amphorae and French oak barrels with light maceration.

Ageing: 90% in terracotta amphorae and 20% in oak barrels.

Grapes: 50% Syrah, 50% Cabernet Sauvignon.

The art of "appassimento" (drying grapes) provided the inspiration for this Petit Manseng made with partially dried grapes. Teos has an enveloping sweetness that combines a fine degree of acidity, an intense golden colour and aromas of ripe fruit, jam, and honey.

Grapes: 100% Petit Manseng.

**UMANI RONCHI**  
VITICOLTORI IN MARCHE E ABRUZZO

«A cohesive company range, compact quality yet well diversified: the wide variety of choice earns Umani Ronchi the title of Winery of the Year»

*Gambero Rosso*

«Among the complexity of the Plenio Riserva 2021, the fruity delight of the Vecchie Vigne 2021, the two intense and layered Conero Riserva Campo San Giorgio 2019 and Cumato 2019, the Bordeaux-like elegance of the Pelago 2019 and the refined Maximo 2021 from botrytised Sauvignon grapes, the latest wine came out on top:

Historical 2018, on the market a few months ago, is a meticulous and fascinating state of the art on the evolution skill of Verdicchio.

This abundance, however, removed all doubt when the name for the **Winery of the Year 2024** was decided. »
