### BRUNELLO DI MONTALCINO RISERVA D.O.C.G.

At San Polo, the Riserva is only produced in truly exceptional years. During the first few days of each vintage's harvest, the finest, most perfectly formed clusters are meticulously monitored so that they achieve ideal ripeness. The healthiest and most mature grapes are then very carefully harvested and reviewed by hand in the winery, where imperfect berries and stray vegetation are removed from the clusters. Lengthy ageing and judicious use of oak lend further elegance to this renowned Riserva wine. At San Polo, the Riserva epitomizes quality and excellence, with the utmost respect for the environment.

Ageing: 36 months in new medium-toasted 500/600 L tonneaux and 1000 L oak casks, 8 months in bottle.

Grapes: 100% Sangiovese

### BRUNELLO DI MONTALCINO VIGNAVECCHIA D.O.C.G.

Vignavecchia, the iconic wine of San Polo, is produced by 30-year-old vines with deep root systems, on one of the best parcels of the San Polo estate. The unique qualities of these vines, coupled with the poor soils and the steep, west-facing slope, give these grapes an incredible concentration and complexity.

Ageing: 30 months in lightly toasted 600 Liters Tonneaux with thick staves. This is followed by at least 6 months of bottle ageing before its market release.

Grapes: 100% Sangiovese
